GANTER'S
CHICKEN
Cholera Cure!

Thousands of dollars worth of chickens die every year from Cholera. It is most fatal to the chicks who all die before they are hatched. The discovery of a truth that *possibly* cures it has been made, and to be convinced of its efficacy may require a trial. A 50 cent bottle is enough for one month's supply. A bottle will suffice for the chicking of two broods of hens. The liver is not thoroughly satisfied with it as a cure for Chicken Cholera, return it to us undesignated and our money will be fully refunded.

SURELY YOUR LIFE!
WITH
H. D. MCHENRY & SON,
HARTFORD, KY.

Important to TAX PAYERS!

Within the few remaining months of my term as Sheriff, all my business must be closed up. A great amount of the

TAXES FOR 1888

Is still unpaid, and yet the first of October requires me to pay over the greater portion of it. I have waited patiently for the people to get through with their crops and harvests. I must now collect you must pay. From

now until the first of October, I and my deputies will give our attention to Taxes. Do not wait to be called on—call on the deputies or come to the office. After the first of October, levies will be made for all uncollected taxes, and costs and per centage added. Pay at once, and save this. I trust no one will delay payment and then blame me for the consequences of their own neglect. The financial safety of myself, my sureties and the county demand promptness and I am determined to see to these interests. Taxpayers, pay at once!

Respectfully,
R. P. HOCKER, Sheriff.
